Tree Planting

Dear Parents and Carers,

On **Thursday 3rd March 2022**, our children will have the opportunity to plant a tree on our school site.

We are planting trees to mark becoming a member of the Forward As One Academy Trust, and it will also provide us with the opportunity to teach our children about the importance of trees and their impact on our planet and environment. We are looking forward to planting over 80 trees on the day, which will also help to reduce our school's carbon footprint. Class 4's Geography topic for this half term is Protecting the Environment. They will be learning about sustainability and climate change.

What will your child need?

- Your child may come to school wearing old clothes that you are happy to get dirty/ muddy
- Waterproof jacket
- Wellington boots (if not already in school)
- Your child will need a change of clothes to get changed into after the session
- A change of footwear

Kind regards,

Mr Steven Rooney

Headteacher
