To ensure children's safety places are limited. We are only able to offer places for:

- 8 children from Foundation Stage
- 15 children from Years 1,2 and 3
- 15 children from Years 4,5, and 6

Places will be allocated according to the following criteria:

- Children who already had a place in the last school year
- Children who already have siblings who attend
- Children who require the greatest number of days per week

Fees

All fees are payable in advance. They may be paid:

- On the first day of the half term for the discount to apply
- Or on the Monday morning, (Tuesday after a Bank Holiday), regardless of whether the child attends on Mondays if you choose to pay weekly
- Payments will be processed through our online portal via Arbor only as we no longer accept cash or cheque

Fees are still payable in full for all sessions booked even if:

- Your child is ill and off school
- You have booked a place and your child does not attend, but has attended school during the day
- Your child takes part in another organised after school activity on the day they would normally attend the club

Late Payment of Fees

Where fees remain unpaid by the end of the week because your child is off ill, that payment must be made as soon as the child is back in school. Non-payment of fees for more than a week will result in your child's place being suspended until all fees and a late payment charge of **£5** levied to allow for the additional administration are paid in full. If you are experiencing any financial difficulties, please speak to Mr Rooney.

Late collection charges after 5.30pm

Where parents are late collecting their child/children on more than one occasion, a late collection fee will be chargeable. This fee will be £1 per minute. ***Parents must telephone well in advance if there is an unavoidable reason for lateness.***

Where children are not collected by 5.45pm and contact with parents or emergency contacts cannot be made, we have a legal duty to inform the Duty Social Services team who will then take responsibility for your child/children.

Illness and Accidents

Should your child become ill whilst attending a session, parents (or where unobtainable) a nominated emergency contact will be contacted to collect your child.

It is important that we are fully informed of any changes in your child's health.

Should your child incur an injury in our care, every effort will be made to contact the parent/guardian. Immediate first aid will be given, and where appropriate, the emergency services will be contacted. Children will be accompanied by a member of staff to the hospital should this situation arise. In order to meet and maintain food hygiene legislation, we request that children do not bring in or consume any food/drink brought in from home. We need to be aware of any food allergies/intolerances. Where this is applicable, please speak to a member of BASC staff.

Personal Property

Whilst every reasonable care will be taken, Care Club cannot be held responsible for any loss or damage to a child's property. Children's own toys, magazines or books should not be brought into the club.

School Closure

Where there is an unexpected school closure due to inclement weather, flooding or industrial action, the Care Club will be closed. Parents will be contacted to collect children as soon as possible. Fees already paid for affected sessions will be credited. Where school officially remains open during inclement weather for example due to heavy snow, the club will also remain open, and all fees are payable as normal.

Behaviour Management

Everybody is encouraged to treat each other with care and respect and behave in a manner that is acceptable. It is our policy that all staff treat the children with respect, and that behaviour is managed within a positive framework. Unacceptable behaviour will be challenged appropriately by staff and recorded. Parents will be informed.
